

## Plot 25

T. Raymond is the name on the plot map

1. Thomas Raymond was the son of John Raymond who was born in Greece and his wife Phebe who was born in Deer Isle, Maine. He was born in about 1828 in Boston. He married Emily S. Currier on August 18, 1847. He worked as a barber, undertaker, and in 1875 a policeman. There is a Civil War marker for a Sergeant Thomas Raymond with a birth year of 1831 and a death year of 1875. I believe the dates on the marker are incorrect and that these are the same man. I find no other Thomas Raymond in Gloucester during the time he lived there and no death record for 1875. Also the enlistment record for Thomas Raymond shows he served in Company K and was a barber. I am confident that Thomas the barber and Sergeant Thomas are one in the same. The next part is the sad part. He committed suicide by strangulation on May 29, 1879.
2. Emily S. Currier Raymond was born in Gloucester on November 7, 1826, the daughter of Edward Currier and Mary Phillips (both of Kennebunk, Maine). She died in Beverly on December 27, 1907.
3. Kate Raymond was the daughter of Thomas and Emily. She was born in Saco, Maine in about December of 1858. Her parents were listed on the census for Saco in 1860. She died in Gloucester on January 14, 1861.
4. Lizzie Allen Raymond was the daughter of William Allen and Mary A. Small (of Deer Isle, Maine). She was born in Stetson, Maine in 1857. She married Timothy Raymond, the son of Thomas and Emily on Dec 24, 1878. She died of TB in Gloucester on February 17, 1891. Timothy later married Bertha Nickerson of the Shelburne, Nova Scotia Nickersons. They moved to California and died there.
5. Lucinda Davis Currier was the daughter of Edward Currier and Mary Phillips, as well as the sister of Emily Currier Raymond. She was born on September 20, 1824 in Gloucester, never married, and died in Beverly on December 31, 1907. She has a nice marker, right on the main path.
