

Plot 30

George Hodgkins is the name on the plot map.

1. George Hodgkins was the son of Otis and Betsey Hodgkins. I can find no mention of them in Ancestry, but this is the information on his death record. He was born in Gloucester on May 6, 1810. He married Mary Ann Lovell in Gloucester on March 5, 1843. He died in Gloucester on January 30, 1869.
2. Mary Ann Lovell Hodgkins was born in 1820. Her tombstone is on the ground next to her husband. Her name is misspelled as Hodkins. We will get her fixed and upright, but the spelling mistake stays forever. She died in Gloucester on March 13, 1862.
3. Charles H. Hodgkins was the son of George and Mary Ann. His name is on the same tombstone as his mother. He was born in Gloucester in 1865 and died there on August 16, 1866.
4. John Watson was the baby son of Mary Elizabeth Hodgkins and Alexander Watson. He was the grandson of George and Mary Ann. He was born in February of 1876 and died in Gloucester on March 9, 1876.
